

(Gallatin, TN 37066 unless noted otherwise)

Please send cards to let these know we are praying for them:

Sumner Regional continues to be under tremendous stress as they battle COVID and the challenge of being short-staffed. They desperately need our prayers. We are also showing our support in other ways. This week we have taken 120 ice cream treats and 4 dozen doughnuts to various departments, 80 lunches and 45 dinners (BBQ sandwiches/chips) to those in the most affected units, and will continue to help.

FLOOD RELIEF: We have sent a check for \$2,000 to the Waverly church to assist with flood relief. Many have asked about making additional contributions. If you wish to contribute, we will accept donations through Sept 5. Make checks to HP and note in the memo "flood relief". You may give your donation to an elder/minister or place it in the designated box in the foyer. Please continue to remember all those affected by this disaster in your prayers.

Kellie Hicks, niece of **Paul Sears**, and her special needs son, **Kevin**, can use our encouragement. She is a 24/7 caregiver. They're looking for someone who is trustworthy to help her just 10 hours a week to give her a little relief. He's 27 years old and barely mobile. He still wears a diaper and has limited communication skills. He likes his iPad, Buzz Lightyear and numerous other cartoon characters. Kellie has spent her life caring for him. She's experiencing more trauma & isolation due to the further limitations COVID has put on their ability to go out. Please send cards of encouragement to them at **538 Autumndale Dr.** Contact Paul if you know of someone who may could help care for Kevin.

Denise & Chuck Threet, friends of Kellie Hicks (above), have had recent surgeries & immediate family has COVID. They are home, but weak. Encouragement appreciated. **413 Dorchester Place**

Please be on the lookout daily for other opportunities for us to show the compassion of our Savior to our community. Thank you for your support of CC. "Let your light so shine before men, that they may see your good works and glorify your Father in heaven." Matthew 5:16

Please give Doyle the names of any person or group in our community that could use some encouragement or celebration.

A PRAYER FOR AMERICA

*Father in Heaven, we, the people,
in the land of the free and the home of the brave,
desperately need You.*

*Oh, that we would leave our ways of seeking
to be blessed and instead seek to bless others.*

*We beg for Your guidance and wisdom
for our leaders.*

*We ask You to protect our land
from enemies, both within and without.
And we praise You for the freedom we have
through the blood of Your Son.*

May Your plan be the desire of our nation.

Amen
