3rd Sunday night- Christian Connection, bring your own dinner, evening focused on fellowship & growing closer to our HP family

4th Sunday Night- Digging Deeper

TONIGHT- We will have a special video presentation at 5:00pm, in the auditorium. In "Faith for Life," Brad Harrub encourages parents to be intentional in rearing children who learn to fear the Lord. He knows that a few minutes each week in a Bible class is not enough to develop the knowledge and conviction needed in today's society. America is truly in the midst of a culture war and to win the battle, parents need to be focused on helping their children know how to become faithful servants of God. We encourage everyone, but especially our young families, to be here for this lesson.
